Class of 2017–18

Leadership Academy Activities

Hand-selected from Washington County high schools, the **Leadership Academy** class of 25 students participate in an overnight Leadership Conference and monthly off-campus field trips with their peers, District and Academy Advisors, as well as industry leaders who share their knowledge and expertise for that day's topic. The monthly, 6-hour training sessions (*which take place during the school day from 8:00 a.m.–2:00 p.m. and are officially-excused by the District*) are called "Challenge Days." Students participate in interactive, hands-on activities as they network with local business professionals and learn to become successful contributors in their community. *See next page for list of Challenge Days and dates.*

Selection Criteria:

Students may apply on their own—or—can be nominated by their teachers, counselors, advisors, coaches or other mentors outside the school. Selection is based on:

- ✓ Student achievements
- ✓ Leadership potential
- ✓ Service to their community
- ✓ Commitment to program

Students are not required to hold a leadership position in their school to apply. Anyone who will be a Junior or Senior during the 2017-18 school year, and a 3.0 or higher GPA may participate. See application for more details.

An Exclusive Opportunity

Since there are so few openings and the costs to manage this top-notch program are great, your membership comes with accountability. Selected students are required to make Leadership Academy a top priority, and must fully attend all activities, including the out-of-town leadership conference in October. Students who attend college or participate in sports are asked to get approval from their teachers or coaches to attend all events prior to applying.

Benefits

Students who have participated in **Leadership Academy** have oft-times become their school's Sterling Scholars. That's because the program provides ample experiences to utilize in your application for scholarships, colleges, and job opportunities. The social responsibility project you are required to participate in provides our students leadership roles not usually available for youth, and the service provided will enrich your life . . . as well as the lives of others.

Leadership Academy is an elite educational and leadership training program created specifically for high school-age participants within the Washington County School District.

Five students from each local high school in Washington County (*Desert Hills, Dixie, Hurricane, Pine View, and Snow Canyon*) are hand-selected each school year to attend this unique program. Students may apply on their own—or—can be nominated by their teachers, counselors, advisors, coaches or other mentors outside the school. Students are selected on their achievements and leadership potential, as well as their service to their community. Students are not required to hold a leadership position in their school to apply. Anyone who will be a Junior or Senior during the school year, and a 3.0 or higher GPA may participate.

The class of 25 students participate in off-campus field trips with their peers, District and Academy Advisors, as well as industry leaders who share their knowledge and expertise for that day's topic. These monthly, 6-hour training sessions (*which take place from 8:00 a.m.–2:00 p.m. during the school day and are officially-excused by the District*) are called "**Challenge Days.**" Students participate in interactive, hands-on activities as they network with local business professionals and learn to become successful contributors in their community.

For most Challenge Days, students will be required to travel with their in-school advisor, however, there may be a need for the student to provide their own transportation, and parents agree to accept liability in case of an accident, as this is strictly a voluntary activity.

Students MUST attend the overnight retreat in Pine Valley. Failure to participate in the retreat will lead to automatic dismissal from the program.

APPLICATION

CLASS OF 2017-18

What classes have you taken that may benefit you in this program?

Describe the community service projects you have been involved in:

Do you plan on any college classes, a job, or extra-curricular activities for the 2017-18 school year? If so, list them.

Leadership Academy Requirements

ALL participants need to commit to the entire 2017–18 school year—with no early graduation or refunding of fees. Open to anyone attending a designated high school in Washington County School District who will be a Junior or Senior in the year 2017–18 (*you don't have to be in a leadership position*). As stated on the front of the application, maintaining good grades is important. Students are required to maintain a 3.0 GPA; failure to do so, can result in suspension or removal from the program.

Participants are required to attend ALL Challenge Days and stay from 8:00 a.m.–2:00 p.m. and MUST attend the overnight Leadership Retreat to participate in the program. Failure to participate in the retreat will lead to automatic dismissal. If the student has a conflict due to a school-related activity that cannot be missed or made-up by speaking with the teacher, the student is required to discuss their absence **in advance with the designated District Advisor.** **In addition, if a student misses more than one Challenge Day or has spotty attendance during the day, he or she will be placed on "Probationary Status,"** and must meet with the Academy Advisor. Students may be dismissed from the Leadership Academy if attendance continues to be an issue. If a student has a discipline issue at school, the principal (with input from the advisor) will make the decision as to the status of the student in the Leadership Academy program.

While in Leadership Academy, students will be expected to provide at least 10 hours (outside of school) to participate in a required community service project with their Leadership Academy peers. Schools will compete with each other as they present their projects to judges. Services projects **MUST** be completed by the presentation deadline in March. Prizes, scholarships, and intern opportunities may become available for outstanding students. Other acts of service are also encouraged.

The Leadership Academy is a 501–(c)3 organization, supported and financially dependent on local business contributions. These donations supplement the majority of costs associated with the Leadership Academy experience. Students who are accepted into the program are required to show their commitment by paying a minimal, non-refundable fee of \$79. If students cannot afford this fee, they may seek money from those willing to sponsor them or speak to their in-school advisor about other options.

For most Challenge Days, students will be required to provide their own transportation—or—travel with a school-designated driver. By signing this application, parents agree to accept liability in case of an accident, as this is strictly a voluntary activity.
