TOTAL SHEET HOURS

CRITERIA: 1. Leadership Academy sponsored events (self & friends). Penalized if commit, then no-show.
2. Social Responsibility project (self only)
3. Projects approved by in-school advisors. Some exclusions apply. *

**Exclusions include, but not limited to, activities "required" to attend by class/teacher (i.e. Trilogy/Dance Concerts), and activities exclusive to a single organization or religion in which not all LA students have an opportunity to participate due to gender or religion. Self-only hours may be used for BSA Eagle Scout projects, since anyone can be invited to assist with these type of projects; same with Personal Progress "service hours," as these are personal goals anyone can do. Please see in-school advisor if not sure of hours acceptability.*
